

Clark's Hometown Family Christmas

The pandemic forced us all to slow down and, for some, to reevaluate the things in our lives that fill us and nourish us the most. For the Clark family, music has always been soul food, providing a means of connecting, of developing community, of celebrating moments of love, hope, sorrow and joy. Kerry Patrick Clark has crafted a life out of making and playing music. This former New Christy Minstrel member and #1 charting folk singer/songwriter met his wife of 26 years on the stage of the Waterville Playshop. In 2002, they welcomed their son Robbie, a recent graduate of the Toledo School For The Arts and back from his appearance on this year's American Idol!!

“The three of us are so excited and look forward to sharing the love of Christmas with you and your family. Join us with your best singing voice to belt out favorite Christmas carols and holiday songs of the ages.”
