

The background features a dark blue gradient on the left, transitioning into a glowing, tunnel-like structure on the right. This structure is composed of numerous thin, parallel lines that curve and converge, creating a sense of depth and movement. The lines are illuminated from within, with a bright light source at the end of the tunnel, casting a warm glow. The overall effect is reminiscent of a digital or futuristic landscape.

Abraham

– Promised a Heritage, a Nation,
and that God would be deeply personal!

Nicodemus

– Experienced the living Christ.

Jesus promised forgiveness, rebirth, eternal life,
and the Spirit of God in our hearts!

Their Response was FAITH

- They received because of righteousness – Right Actions, Belief, & Attitude
- They were not born into it!
 - Abram had many household gods, the LORD was not one of them
 - Nicodemus was anxious – coming to Jesus at night
- They followed even when it was difficult.
 - Ave left his country and countrymen never to return (Heb. 11:8-16).
 - He believed the promise of a son though such a birth was naturally impossible
 - He cast out a son, Ishmael when Sarah and God commanded it (Gen. 21:9-14).
 - He was even willing to offer Isaac, the son of promise, when God demanded it.
