DEAD & ALIVE

GOD WANTS YOU DEAD!

- Matt 10:39.
- He has put a price on your head.
- If you give yourself up,
you will receive eternal life.
- But if you run away to save your own life,
you will die.

God wants to subdue the evil in our hearts!

- ...like the fathers among us who do not praise God
- ...like the mothers in our communities who spread hateful gossip
- ...like sons who serve their lust, greed and pride.
- ...like daughters who defy truth and seek after forbidden fruit and evil pleasures.

God desires that we...

- honor our father and our mother
- treat our spouses like Jesus treats the church
- have tender care and respect toward our spouses.
- It is God's commandment that we build up our families in faith, hope, and love.

God wants us to be worthy of glory,

Worthy of heaven,

Worthy of being with God for eternity!

GOD IS MERCIFUL

We are to strengthen and mature our faith such that neither our family or friends, nor our own selves can rule us, dominate us, or lead us astray.

•=====•

We must die to our old evil selves in order to live for God, to be alive now and forever in Jesus.

God wants your old self
DEAD
so God can make you
ALIVE!
