

"Worth Your Keep" - Rev. Peter Paige on September 10, 2017
Wesley United Methodist Church in Bryan, Ohio

We, just as the first Disciples, are called into the field for harvest.

In answering the call we...will preach this message: 'The kingdom of heaven is near.'
It will bring healing, cleansing, the life of forgiveness and peace. We will offer hope. These are all the things we have freely received from God.

Are you worth your keep?

We have received freely - it was unconditional, unmerited, free through faith alone!

We can't place a price on God's Grace for others.

It was truly free for us...we need to pass it on!
